Who do you need to include on this application?

Tell us about all the family members who live with you. If you file taxes, we need to know about everyone on your tax return. (You don't' need to file taxes to get health coverage).

DO Include:

- Yourself
- Your spouse
- Your children under 19 who live with you
- Your unmarried partner who needs health coverage
- Anyone you include on our tax return, even if they don't live with you
- Anyone else under 19 who you take care of and lives with you

You DON'T have to include:

- Your unmarried partner who doesn't need health coverage
- Your unmarried partner's children
- Your parents who live with you, but file their own tax return (if you're over 19)

The amount of assistance or type of program you qualify for depends on the number of people in your family and their incomes. This information helps us make sure everyone get the best coverage they can.

Complete Step 2 for each person in your family. Start with yourself, then add other adults and children. If you have more than two (2) people in your family, you'll need to make a copy of the pages and attach them. You don't need to provide immigration status or a Social Security Number (SSN) for family members who don't need health coverage. We'll keep all the information you provide private and secure as required by law. We'll use personal information only to check if you're eligible for health coverage.
