

## LINE UP ACTIVITY

(this activity was created by GSA (Gay/Straight/Alliance) students in Hawaii's schools)

Depending on the room size:

The whole group can line up in two equal lines facing each other or you can have the group form a circle with everyone facing each other. A facilitator will read each question, allowing time for individuals to respond to the question with either stepping forward or standing still.

## QUESTIONS

### STEP FORWARD IF YOU.....

Are from Hawaii

Are not from Hawaii or US (United States)

Are from US (United States)

You have a family member or friend that is LGBT (Lesbian/Gay/Bisexual/Transgender)
