

Unit 1 Overview

Test Taking Tips

Look over the entire test BEFORE you start.

Tell yourself you can "ace this test."

Answer the items worth the most points first.

Make a check mark next to items you are uncertain about; return to them later.

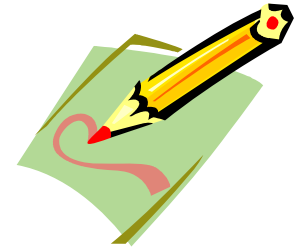

Watch your time, DON'T stall over one item.

When done, look over the entire test to make sure all questions are answered.

Taking Notes after Presentations:

1. Fold paper in 1/3s
2. Label columns:
